IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

2.0L RF GT in Soul Red Metallic.

DRIVING TRANSFORMED

Mazda MX-5 is Zoom-Zoom in its purest form. Lighter and more streamlined than ever, the open-top MX-5 brings car and driver together in the true spirit of ‘Jinba Ittai’ – the philosophy of ‘horse and rider as one.’ The lean, muscular lines of ‘KODO – Soul of Motion’ design capture the moment energy becomes motion, while the uncluttered interior is designed to feel like an extension of the driver. Mazda MX-5’s reputation for driving pleasure is heightened even further with the outstanding performance of SKYACTIV TECHNOLOGY, along with the added confidence of i-ACTIVSENSE advanced safety technologies. As the world’s most popular lightweight sports car for over two decades, iconic Mazda MX-5 excites every sense like only a true roadster can.

2.0L RF GT in Machine Grey Metallic.

DESIGNED FOR THE DRIVER

MX-5 captures Mazda's signature KODO Design philosophy in its most exciting form, with every angle and contour poised for action. For wind-in-the-hair exhilaration, the roof glides seamlessly away from view with the push of a button or one-handed manual lowering in soft-top models.

When closed, the roof reinforces MX-5's striking shape, with the new RF hard-top models featuring a classic fastback silhouette. Incorporating true sports car elements with the spirit of its three previous generations, MX-5 commands a striking road presence.

6 1.5L Roadster GT in Soul Red Metallic.

魂動

KODO : SOUL of MOTION

2.0L RF GT in Machine Grey Metallic.

CAR AND DRIVER BECOME ONE

Mazda MX-5 is the epitome of the driver's car, with every element carefully designed to evoke the feeling of being at one with the vehicle. Interior panels featuring matching exterior paintwork comfortably envelop the driver for a sport-luxe feel in the cockpit. Understated, quality finishes like nappa leather feature throughout, while symmetrically arranged controls are positioned for optimal driving position and comfort. In the RF model, you'll experience reduced cabin noise, along with one of the world's fastest roof opening and closing times. Everything about the uncluttered, driver-focused interior has been considered to maximise the driving pleasure of the roadster experience.

THE EVOLUTION OF JINBA ITTAI

The intuitive relationship between car and driver can be felt in the ultra-responsive handling of Mazda MX-5. The new generation has experienced a significant weight loss, yet an increased sense of rigidity. An enhanced feeling of balance and control is a result of perfect 50:50 front-rear weight distribution. With a lowered centre of gravity and the engine brought closer to the vehicle's centre, you experience responsiveness and stability resulting in the purest embodiment of Jinba Ittai yet. The car becomes a true extension of the driver, responding with innate agility to every command.

SKYACTIV TECHNOLOGY UNLEASH PURE PERFORMANCE

Mazda's breakthrough SKYACTIV TECHNOLOGY unleashes outstanding power and efficiency for an exhilarating drive. Every vehicle aspect is heightened to dial up sports performance, while unlocking superior handling and improved fuel economy. SKYACTIV TECHNOLOGY enhances everything from the engine to the transmission to the chassis, achieving superior handling, stability and responses in all driving conditions.

SKYACTIV-G 1.5L

The new generation 1.5L SKYACTIV-G petrol engine features direct injection with a unique piston design to promote more effective fuel combustion - boosting power and fuel economy while lowering emissions. Unleashing powerful performance with the feel of a broad torque range, the redesigned engine block delivers powerful acceleration well into the high RPM range, with a compression ratio of 13.0:1 when running on high-octane fuel.

SKYACTIV-G 2.0L

Developed to offer driving pleasure in all conditions, the SKYACTIV-G 2.0L engine delivers maximum torque with impressive fuel economy. The reduced weight and greater combustion efficiency means the driver gets an engine they can always count on in the high RPM range.

SKYACTIV-MT

The newly developed 6-speed SKYACTIV-MT manual transmission delivers a lively performance and superior fuel economy. As one of the world's lightest transmissions, it's helped keep Mazda MX-5's weight down.

SKYACTIV-CHASSIS

The development of the Mazda MX-5 SKYACTIV-CHASSIS was focused on achieving superior handling and stability, with faithful responses in every driving situation. The vehicle's posture has been crafted for flawless cornering, acceleration and braking to engage in a harmonious conversation with the open road.

SKYACTIV-BODY

The new Mazda MX-5 SKYACTIV-BODY is assembled with materials explicitly selected to keep it light, yet rigid. Constructed from a combination of ultra-high tensile steel and high-strength aluminium, the body is designed with integrity to be strong without bulk. The high-strength SKYACTIV-BODY is engineered to minimise harm in the event of a collision. Front airbags for both passengers come as standard, and side airbags with head-protecting cells safeguard against impact even with the top down.

THE CONTROL CENTRE OF YOUR DRIVING UNIVERSE

Mazda's on-board infotainment system, MZD Connect, links your smartphone via Bluetooth® so you can access your music, contacts and social networks from a single screen. Switch between audio and Satellite Navigation with the intuitive central dial of the multi-function commander.

In addition to the standard-equipment 6-speaker configuration, Mazda MX-5 is also available with a premium 9-speaker Bose® sound system. Both configurations feature 45mm driver's side headrest speakers, with the 9-speaker system featuring a subwoofer and headrest speakers for the passenger. Jointly developed with Bose®, the exclusive system is designed to produce stunning sound quality, even with the top down. The USB and Bluetooth®-compatible unit also supports audio playback from iPods and other portable audio devices. To check the compatibility of your Bluetooth® device (particularly your mobile phone), visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

AT YOUR FINGERTIPS

Conveniently located between the driver and passenger, the multi-function commander allows safe operation of MZD Connect.

ONLINE ON THE MOVE

MZD Connect allows you to bring your online world with you, including music subscription services like Pandora and Stitcher.

DRIVE WITH CONFIDENCE

Development of the Mazda MX-5 focused on creating an exhilarating drive, while also maximising safety and driver peace of mind. The addition of i-ACTIVSENSE advanced safety technologies* give you even more confidence, with AFS, BSM and RCTA now standard across the range.

On inclines, Hill Launch Assist (HLA) keeps your brakes on momentarily for smooth take-offs. Maintain control in emergency braking situations with Dynamic Stability Control (DSC), which kicks in to assist steering. Traction Control System (TCS) limits skidding. Limited-Slip Differential (LSD) also comes as standard, applying equal torque to both wheels to minimise wheel-spin (MT only). Armed with the latest in safety aids, you can enjoy every thrilling drive with confidence.

*i-ACTIVSENSE safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to constantly monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

REAR CROSS TRAFFIC ALERT (RCTA)
Assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert.

Standard across the range.

ADAPTIVE FRONT-LIGHTING SYSTEM (AFS)
The powerful LED headlamps swivel up to 15 degrees in the direction you're steering, revealing more of the corner.

RF GT only.

BLIND SPOT MONITORING (BSM)
By scanning external mirrors' blind spots, radars detect any unseen vehicles to help you avoid making hazardous lane changes. LED icon on the relevant mirror is accompanied by a warning beeper.

Standard across the range.

ADVANCED ELECTRONIC BRAKING
ABS brakes feature Electronic Brake-force Distribution (EBD), which matches braking to vehicle load, while Emergency Brake Assist (EBA) boosts stopping power when emergency braking is sensed. An Emergency Stop Signal (ESS) activates the hazard lights to warn following drivers of sudden deceleration.

SAFETY REFLEX
Maintain control in an emergency braking situation with Dynamic Stability Control (DSC), which kicks in to assist steering. Traction Control System (TCS) limits skidding.

MX-5

1.5L ROADSTER & ROADSTER GT

1.5L Roadster GT in Soul Red Metallic.

1.5L SOFT-TOP FEATURES

ROADSTER

- » 16 inch alloy wheels (silver) with 195/50 tyres
- » Cloth soft-top
- » Headlamps (LED)
- » Power mirrors (body coloured)
- » Air-conditioning
- » Cruise control
- » Seat trim: black cloth
- » 7-inch touchscreen display (MZD Connect)
- » Audio system with: AM/FM tuner and 6 speakers
- » Bluetooth® hands-free phone and audio capability†
- » Internet radio integration (Pandora®, Stitcher™ and Aha™)
- » Multi-function commander control
- » Satellite navigation
- » Airbags SRS: front and side (driver and passenger)
- » Blind Spot Monitoring (BSM)*
- » Limited-Slip Differential (MT only)
- » Tyre Pressure Monitoring System (TPMS)

ROADSTER GT

ADDITIONAL TO ROADSTER

- » 16 inch alloy wheels (gunmetal) with 195/50 tyres
- » Daytime running lamps (LED)
- » Headlamps auto on/off
- » Power mirrors (piano black with heating)
- » Rain-sensing wipers
- » Seat trim: black or tan leather§
- » Front seats with: heating function
- » Climate control air-conditioning
- » Rear-view mirror with auto dimming function
- » Premium Bose® 203 watt amplifier with 9 speakers
- » Advanced keyless entry

POWERTRAIN

SKYACTIV-G

- » 1.5 litre in-line 4 cylinder 16 valve DOHC SV-T petrol engine
- » Drivetrain: RWD
- » Fuel consumption (combined): 6.1L/100km* (manual) or 6.4L/100km* (auto)
- » Max power: 96kW @ 7,000rpm
- » Max torque: 150Nm @ 4,800rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto

* Blind Spot Monitoring is a driver assist technology only and should not be used in place of skilled and safe driving practices.

† Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

§ Leather interior includes some Maztex material on selected high impact surfaces.

‡ Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.

A SLEEK ADDITION

16-inch alloy wheels (gunmetal) with sleek, uncomplicated styling are made for performance first.

EXTENDED VISION

Blind Spot Monitoring* detects unseen vehicles during lane changes, alerting you with audio and visual cues.

ALL AT YOUR FINGERTIPS

MZD Connect offers touchscreen connectivity and a large screen for easy viewing.

DAZZLING BY DESIGN

Sleek LED headlamps complement the bold front styling for striking street appeal.

MX-5

2.0L ROADSTER & ROADSTER GT

2.0L Roadster GT in Ceramic Metallic.

2.0L SOFT-TOP FEATURES

ROADSTER

- » 17 inch alloy wheels (gunmetal) with 205/45 tyres

» Cloth soft-top

» Daytime running lamps (LED)

» Headlamps (LED)

» Power mirrors (piano black)

» Seat trim: black cloth

» Air-conditioning

» Cruise control

» Audio system with: AM/FM tuner and 6 speakers

† Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

ENJOY MAZDA MX-5 WITH CONFIDENCE

REST ASSURED - YOUR WARRANTY

The quality built into Mazda MX-5 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

MAINTAIN THAT ZOOM-ZOOM

Your Mazda MX-5 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all around Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

ACCESSORIES**

MX-5

zoom-zoom

MAKE YOUR MAZDA EVEN MORE REWARDING

The Mazda MX-5 is Zoom-Zoom in its purest form, delivering an all-sensory thrill that's unique to the roadster driving experience. With the addition of Mazda Genuine Accessories, your MX-5 is even more captivating, and you protect its value. Styled to complement the existing design of the vehicle, they demonstrate exceptional quality, fit and safety, all backed by a Genuine Mazda Warranty. Mazda Genuine Accessories give you even more Zoom-Zoom.

FRONT PARKING SENSORS

Audio alerts warn you of obstructions at the front of your car whilst parking.

REAR PARKING SENSORS

Park your MX-5 with ease. A warning tone helps prevent rear bumper damage by alerting you to obstacles.

WIND BLOCKER

Reduce wind and noise in the cabin with this durable, seamlessly-integrated deflector. (Only available in soft-top)

STRUT TOWER BAR

Creates a solid brace between the two strut towers for the ultimate driving experience.

FRONT MUD GUARDS

Keeps bodywork free of dirt and road grime.

REAR MUD GUARDS

Stop mud and road grime collecting on the rear end of your car.

FEATURED HERE

- Alloy accelerator pedal
- Alloy brake and clutch pedal
- Alloy foot rest
- Floor mats
- Scuff plates
- Welcome illumination

WELCOME ILLUMINATION

Welcome lighting radiates soft blue illumination from both foot wells, while select additions enhance the sense of occasion.

FLOOR MATS

Protect your carpet with these high-quality, tailor-made branded floor mats. Fastening systems enhance safety.

SCUFF PLATES

Guard your vehicle's doorsills from scratches and scuffs with this stylish protective plate.

KUROI SPORTS PACK

Give your MX-5 an even sportier edge with the Kuroi Sports Pack. Combined with the top down and the open road, these Genuine Accessories further enhance the ultimate driving experience. (Items sold individually)

FEATURED HERE

- Air deflector
- Front under spoiler
- Protection film
- Rear lip spoiler
- Rear under spoiler
- Side under spoiler
- 16-inch black alloy wheels (soft-top only)

CARGO TRAY

A non-slip, custom-fitted tray to shield the cargo surface from liquids, dirt and scratches.

17-INCH BLACK ALLOY WHEELS

Make a bold statement with these premium and stylish black alloy wheels.

SCREEN INTEGRATED PARKING CAMERA

Visually assists with reversing by displaying rear camera image on the MZD Connect screen when reverse is selected.*

SCREEN INTEGRATED PARKING SENSORS

Adds a visual element to the audible front and rear parking sensors, with graphic guides appearing on the MZD Connect screen for added confidence.*

MAZDA HIGH SPECIFICATION ALARM

For added security and peace of mind, this alarm includes auto arm/disarm, battery back-up siren, door, hot-wire, bonnet and impact protection. Microwave sensors help protect your vehicles interior with the roof up or down.

ALSO AVAILABLE

- Alloy brake pedal (AT only)
- Audio retractable Lightning cable
